

Frontier Days Inc. is pleased to announce that parade participants of the annual 48th annual Frontier Days Parade will be able to pass items out along the parade route. Frontier Days Parade Committee along with Sharfest volunteers and the Milford Police Department is working together to allow items to once again be passed out.

We are taking every measure to insure the safety of all the spectators and participants. It will be the responsibility of everyone to assure we will be able to continue this in the years to come. Parade participants will be instructed to hand items to the spectators that are seated/standing along the route (curbs and sidewalks). **No one** will be permitted to throw anything from the vehicles. Spectators **must remain** on the curb and are **not permitted** to enter into the roadway at any time. These measures should ensure the safety of everyone that will attend the 48th Annual Frontier Days Parade.

If you have any questions please call 831-2411 or visit www.frontierdaysmilford.com
